

IC Control Media & Sport Newsletter

IC Control Media & Sport AB

IC Control AB is now breaking out it's media and sport business segment to a new company called IC Control Media & Sport AB who will continue to develop and deliver our products and services within this segment.

In this transition IC Control Media & Sport will move to a new office location in Bromma, Stockholm and we from the ICCM&S team therefore would like you to update all of our contact information with new address, phone numbers, emails, website and bank information etc. In this letter we will therefore summarize all of our new contact information and also add some new routines for orders, invoices and support.

Our new office telephone number +46 (0)8 120 560 40 will also function as our support telephone for technical support outside of office hours and on weekends.

For orders and invoices we would kindly ask you to always send these to our new email addresses: order@iccm mediasport.com and faktura@iccm mediasport.com. This will help our handling and tracking.

Best Regards

IC Control Media & Sport Team
